

ASHLEY'S BED | BED + LEFT BOOKCASE

Dimensioned design review | Right cabinet removed | Inches

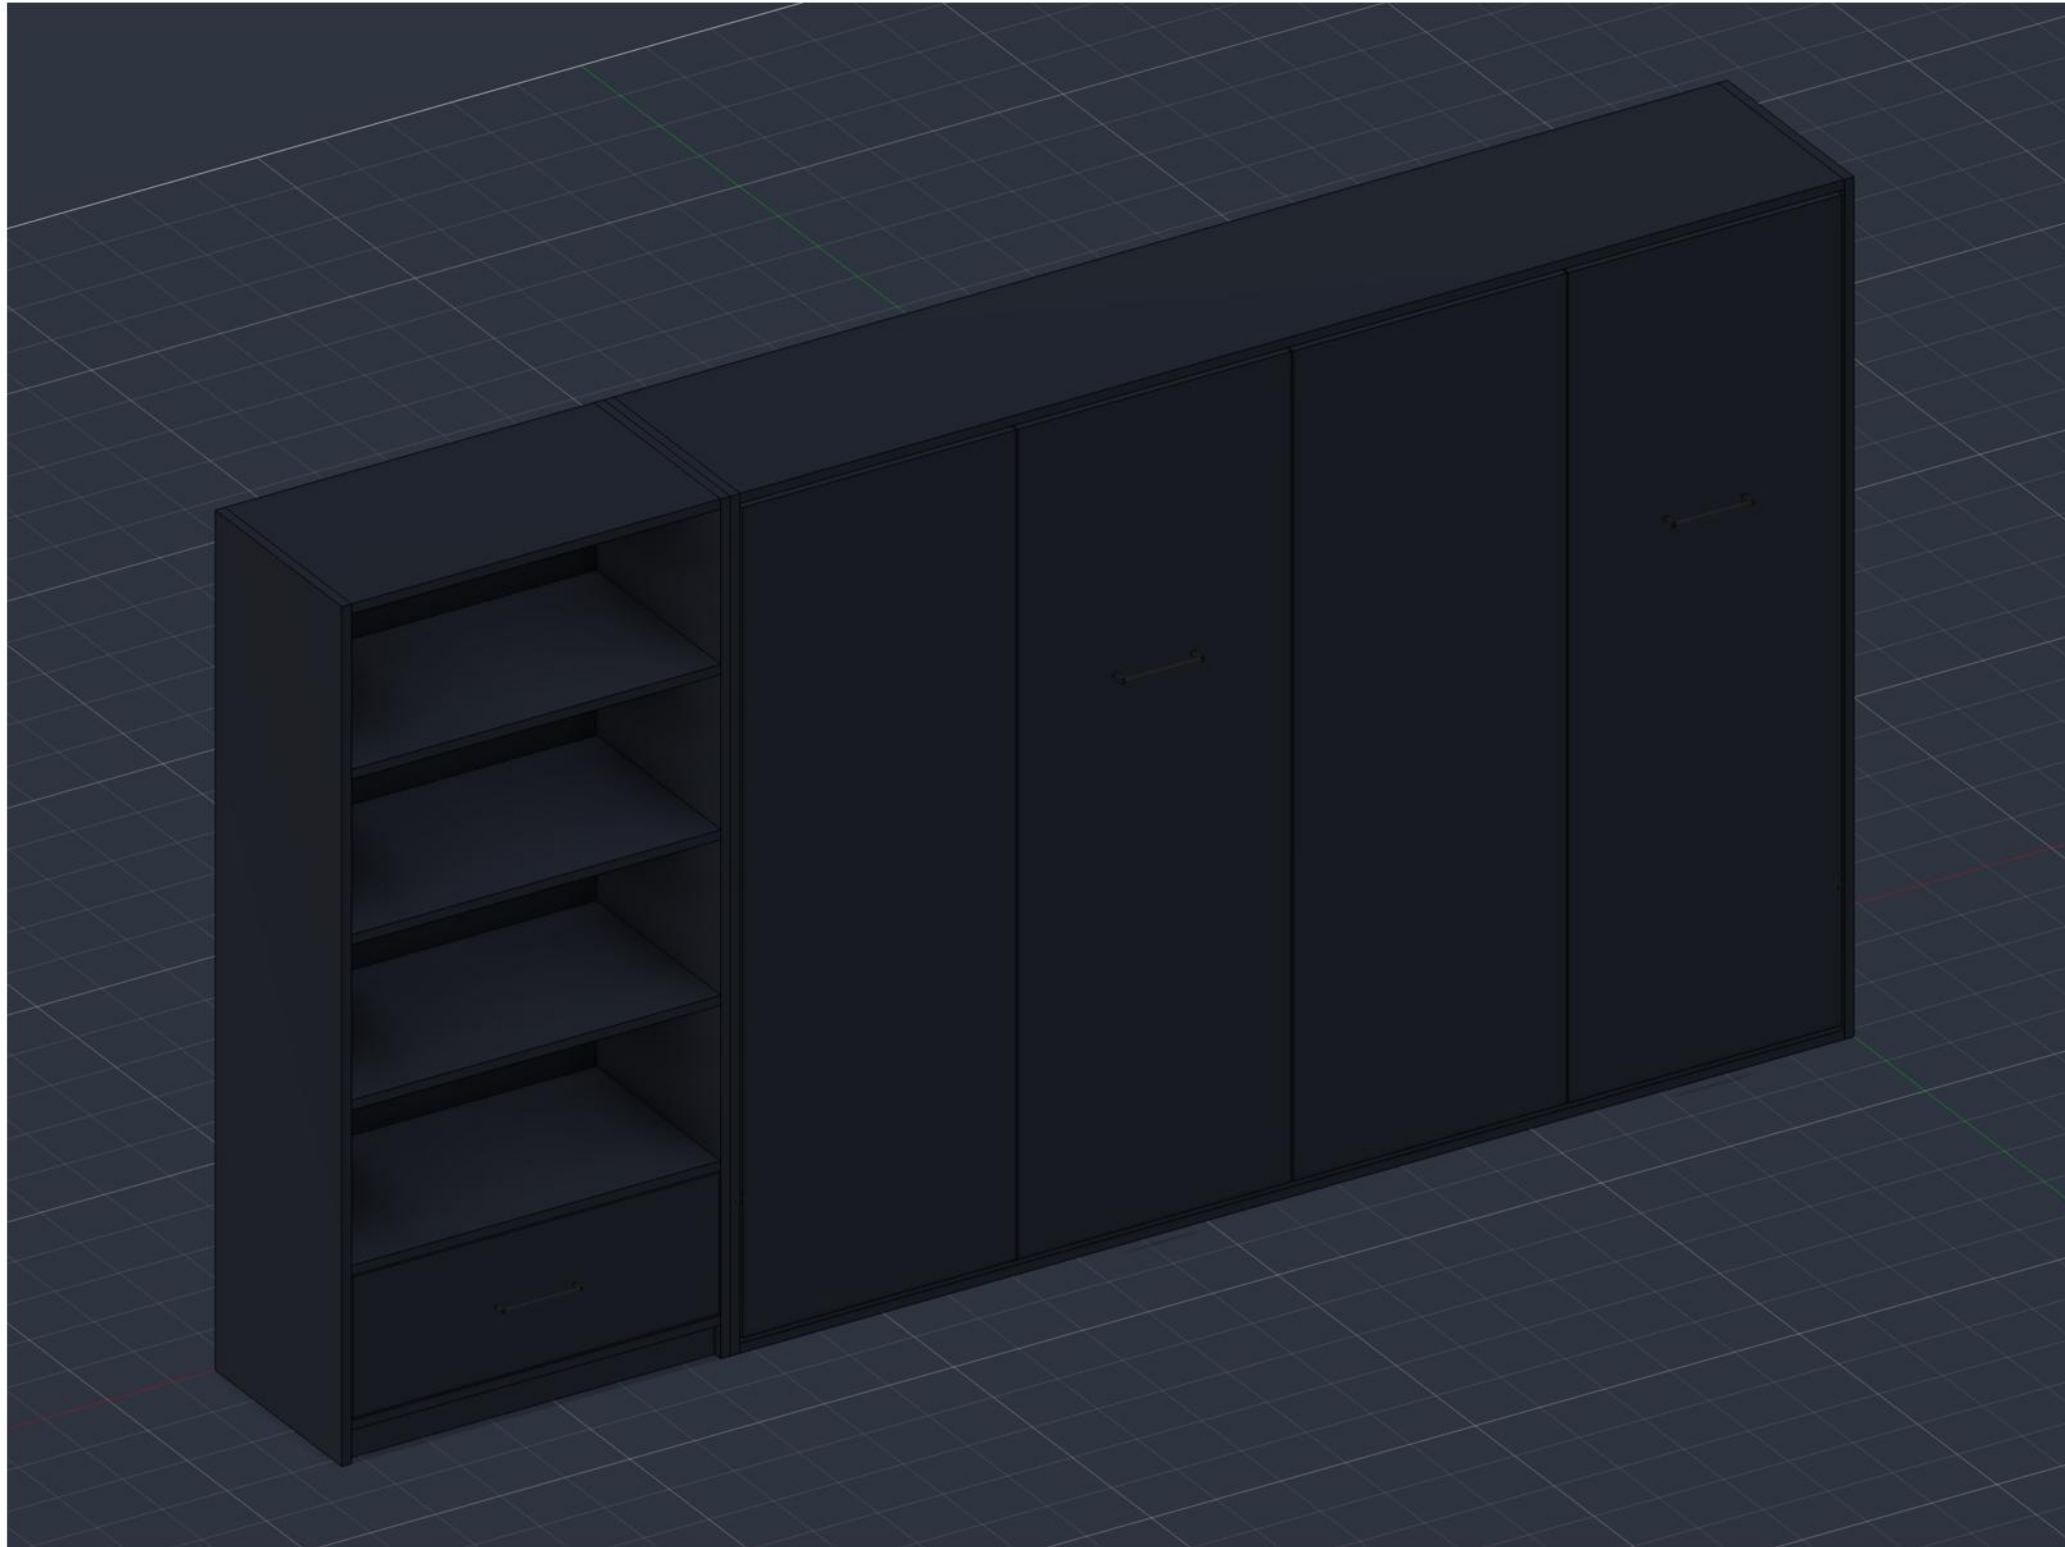

Left bookcase: four open bays above one drawer; three adjustable shelves.

Carcass dimensions exclude projecting pulls. Steel hardware and folding motion remain representative.

NOT A MACHINING RELEASE: finalize stock thickness, joinery, shelf fit, slide model, cutters and workholding.

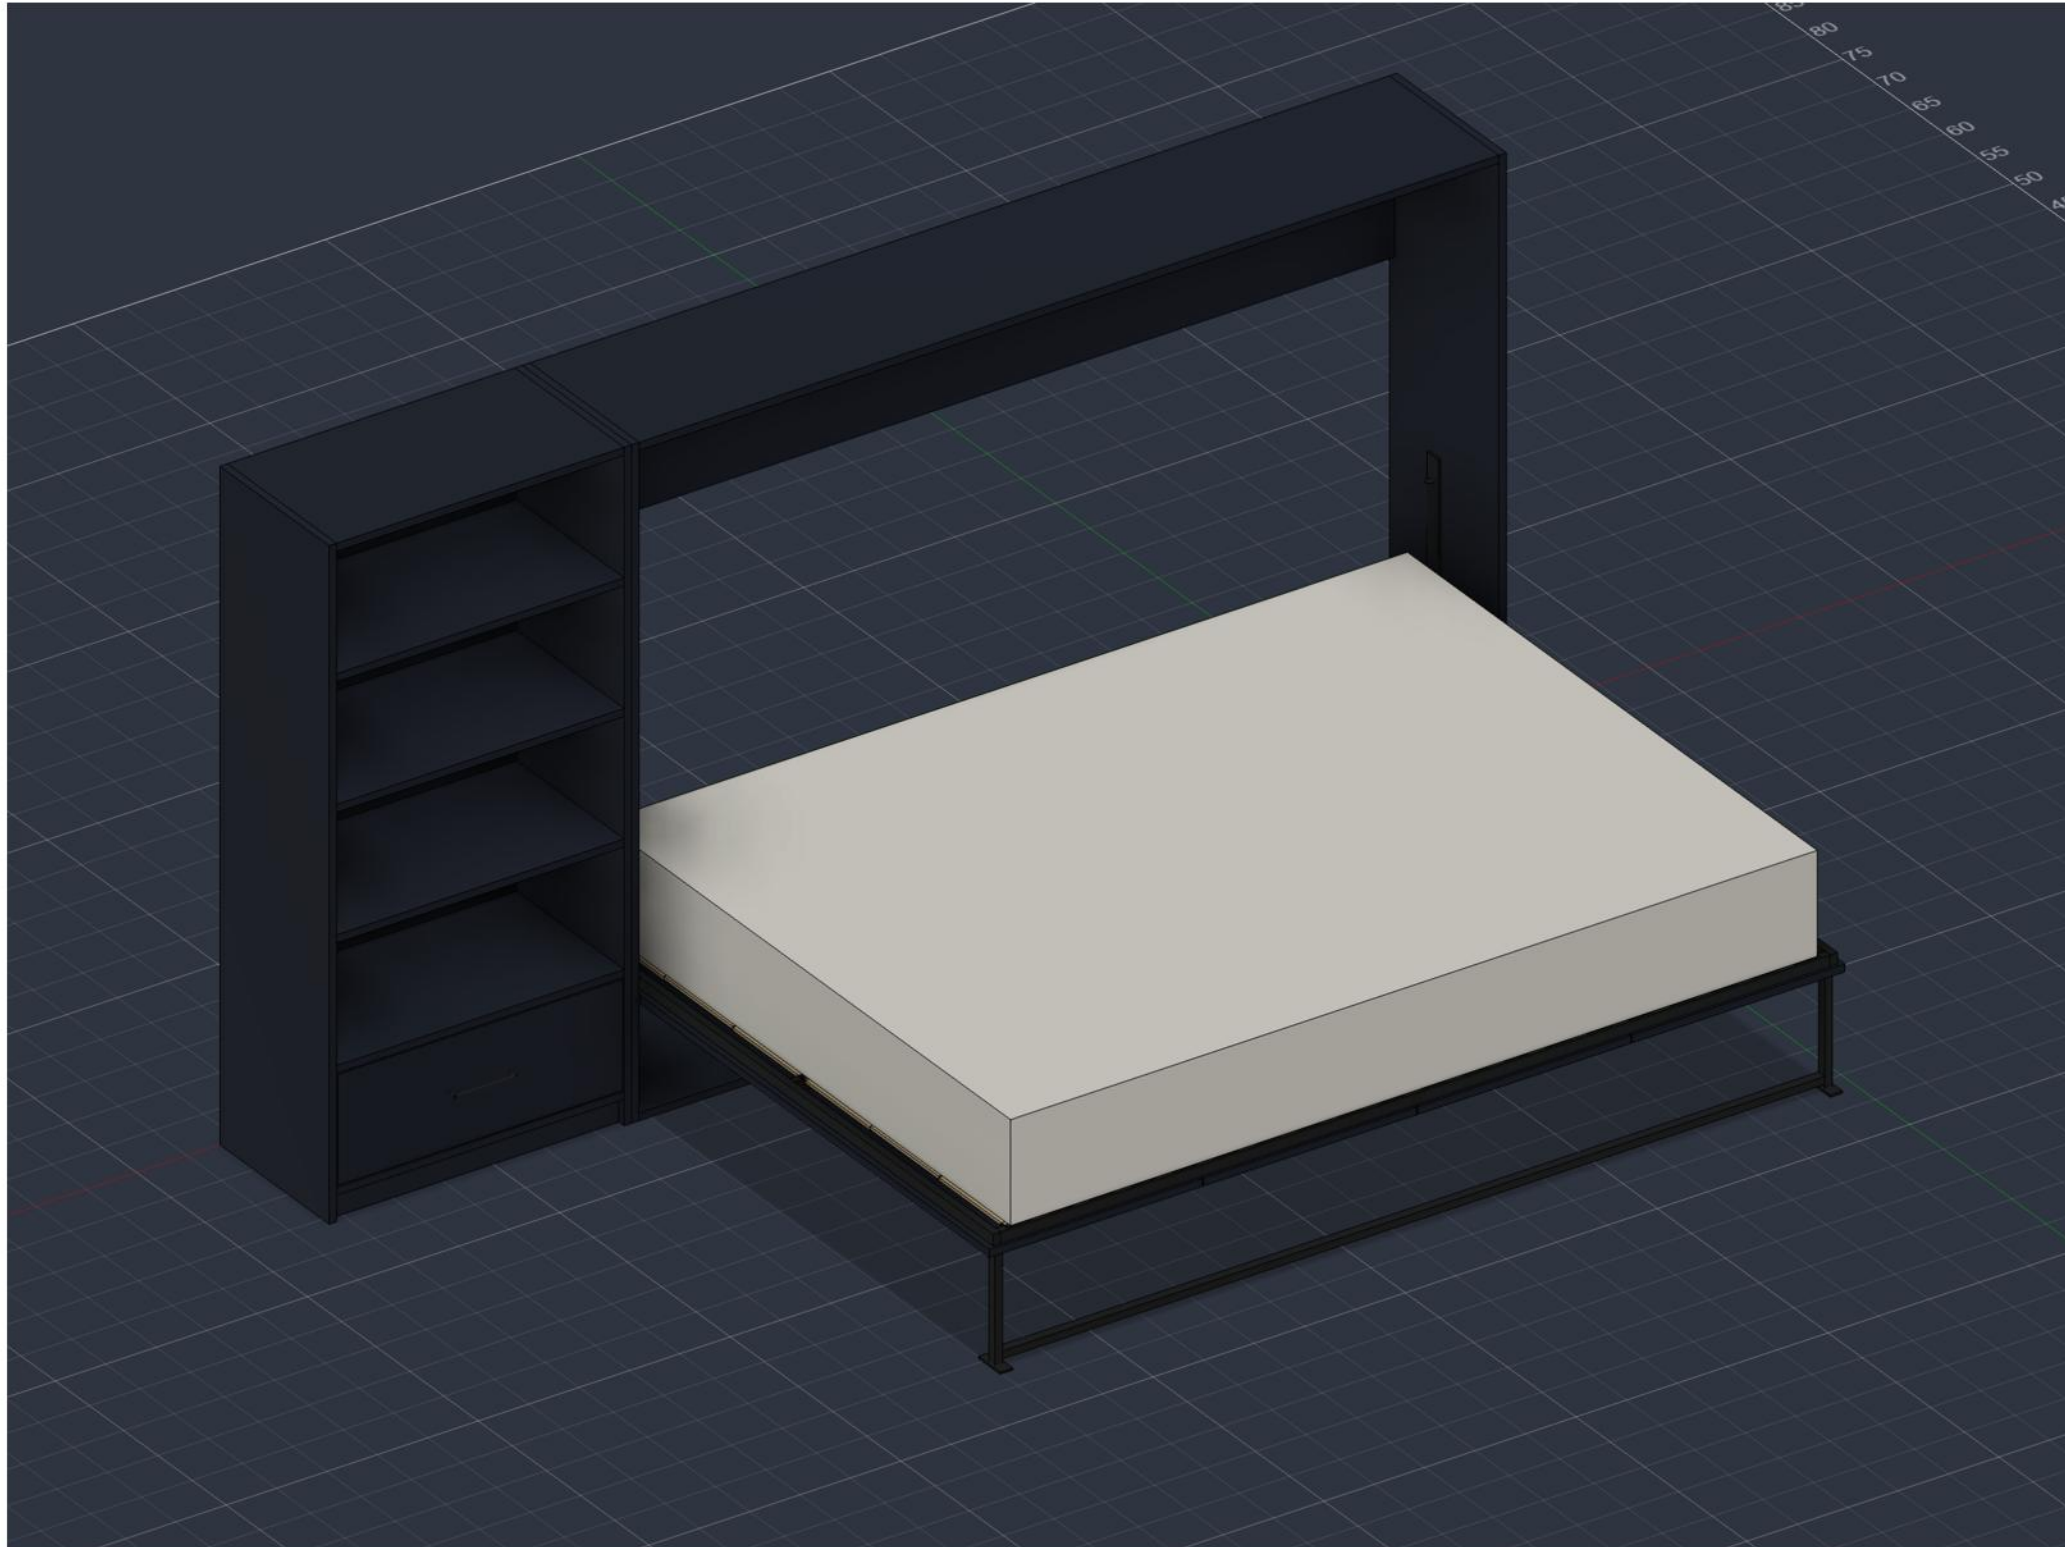

Native Fusion wood-body bounds; follow Rockler anchoring instructions. Hidden wall brackets remain required.

CLOSED — native Fusion view

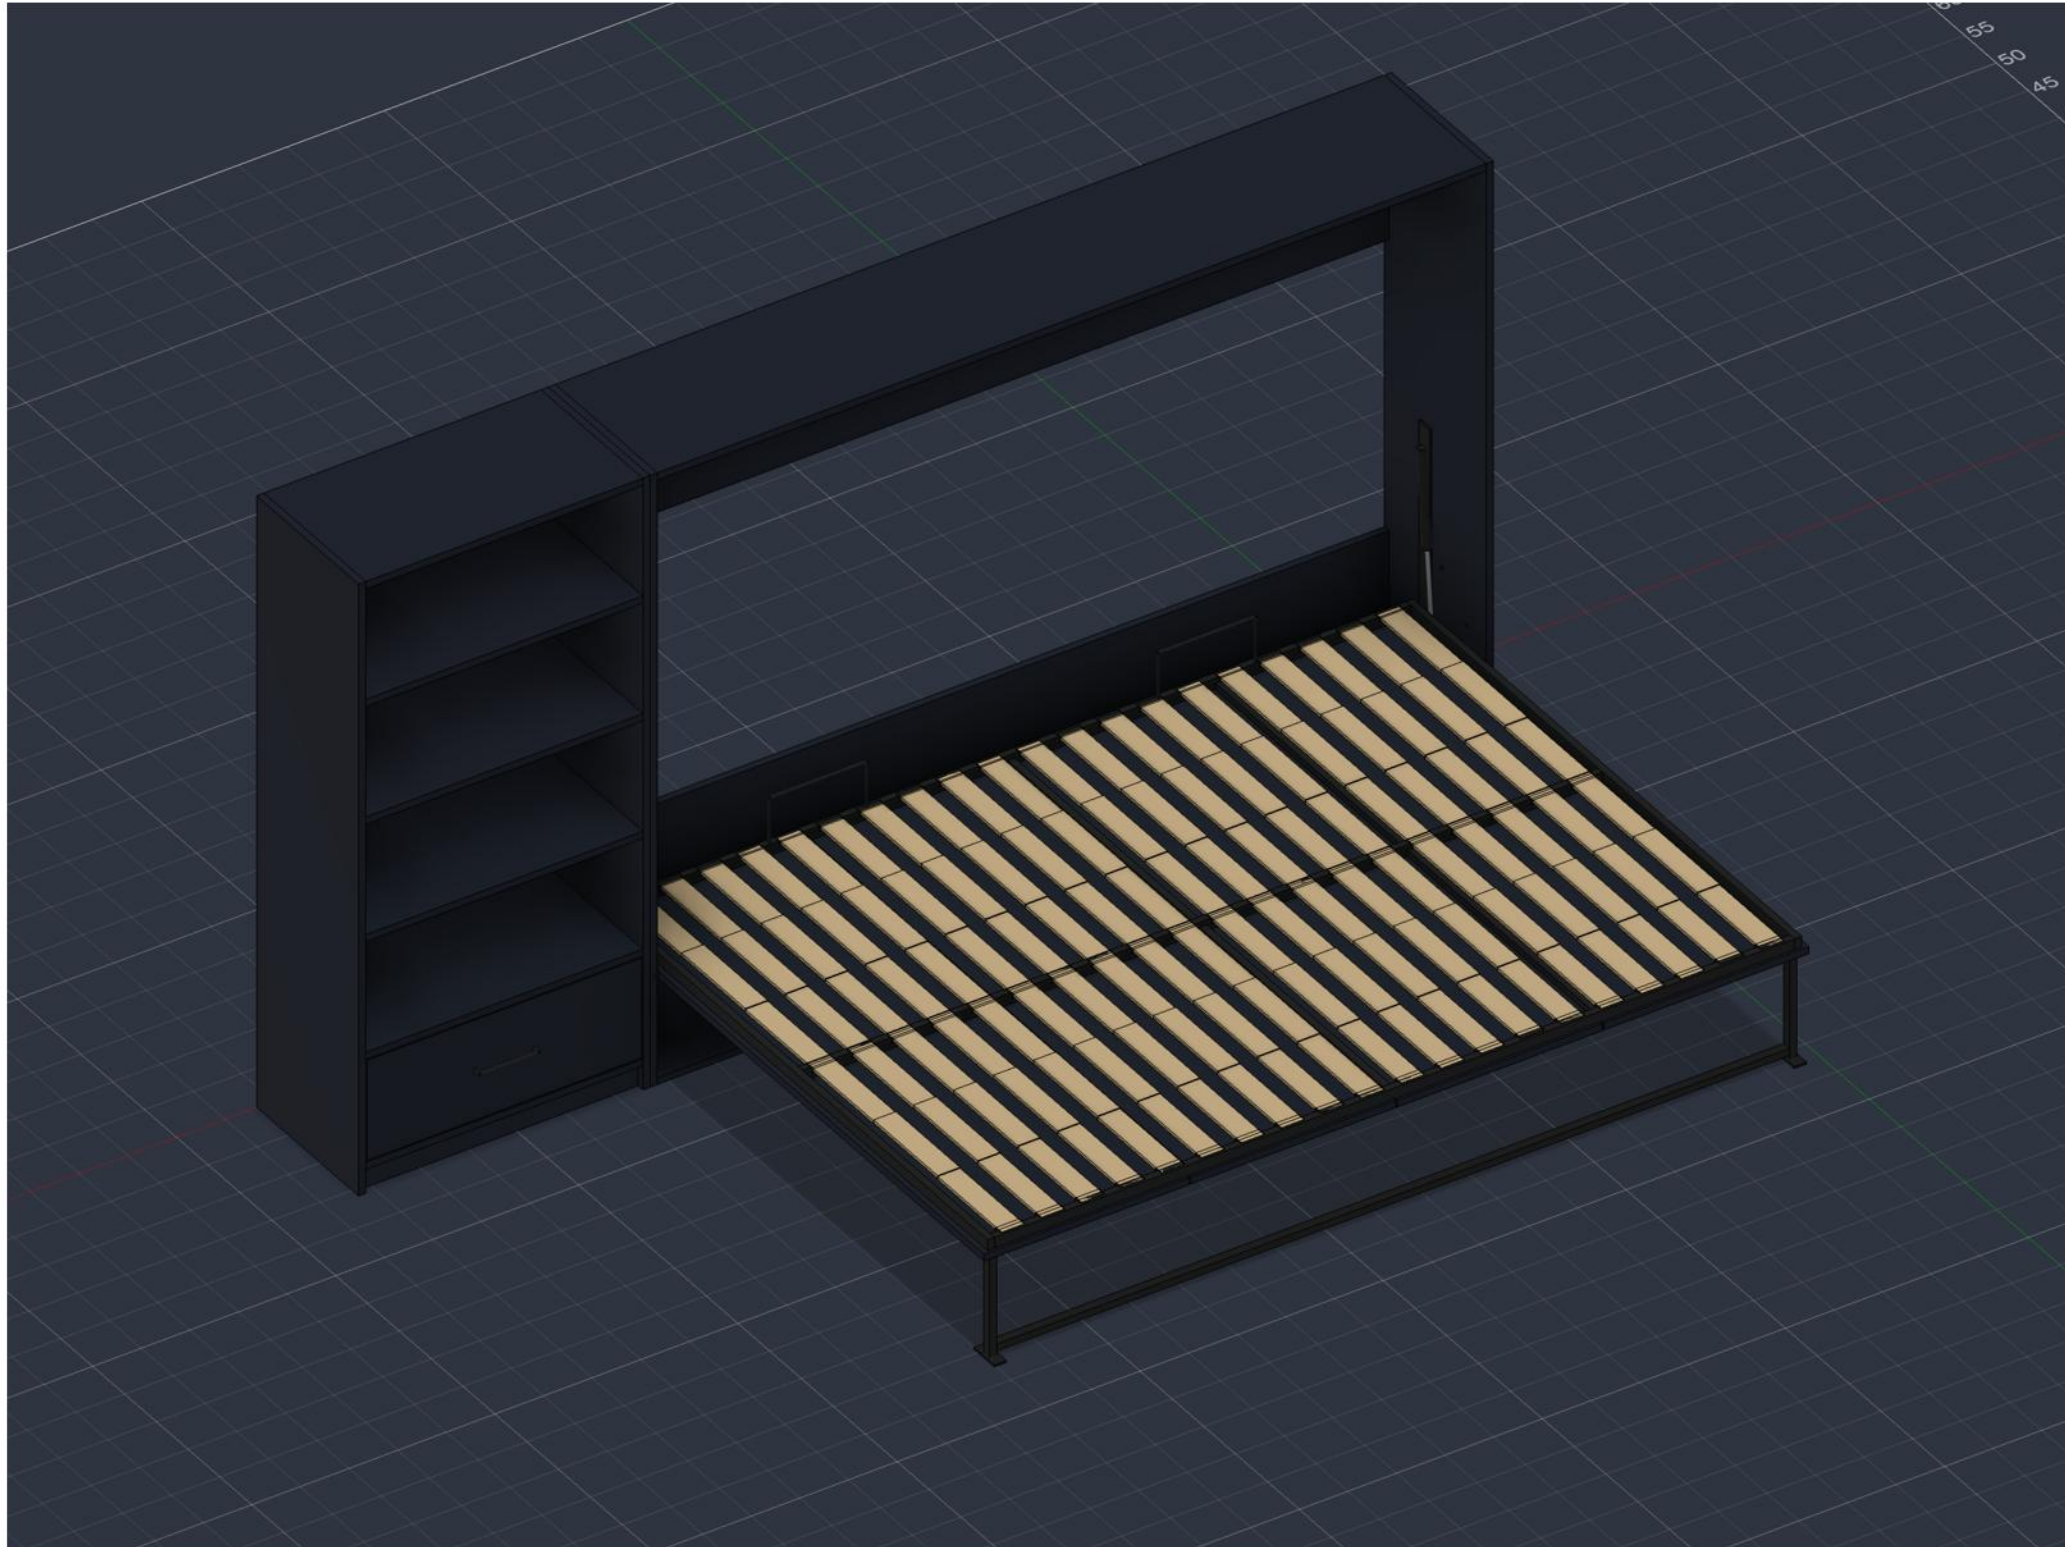

Design review only — not a mechanism-clearance certification or machining release.

OPEN — native Fusion view

Design review only — not a mechanism-clearance certification or machining release.

FRAME — native Fusion view; mattress hidden

Design review only — not a mechanism-clearance certification or machining release.
